

# My Christmas Kindness Stocking

Christmas is a time for giving and being extra kind to those around us. Can you fill up the stocking with ways that you can be kind this festive season?

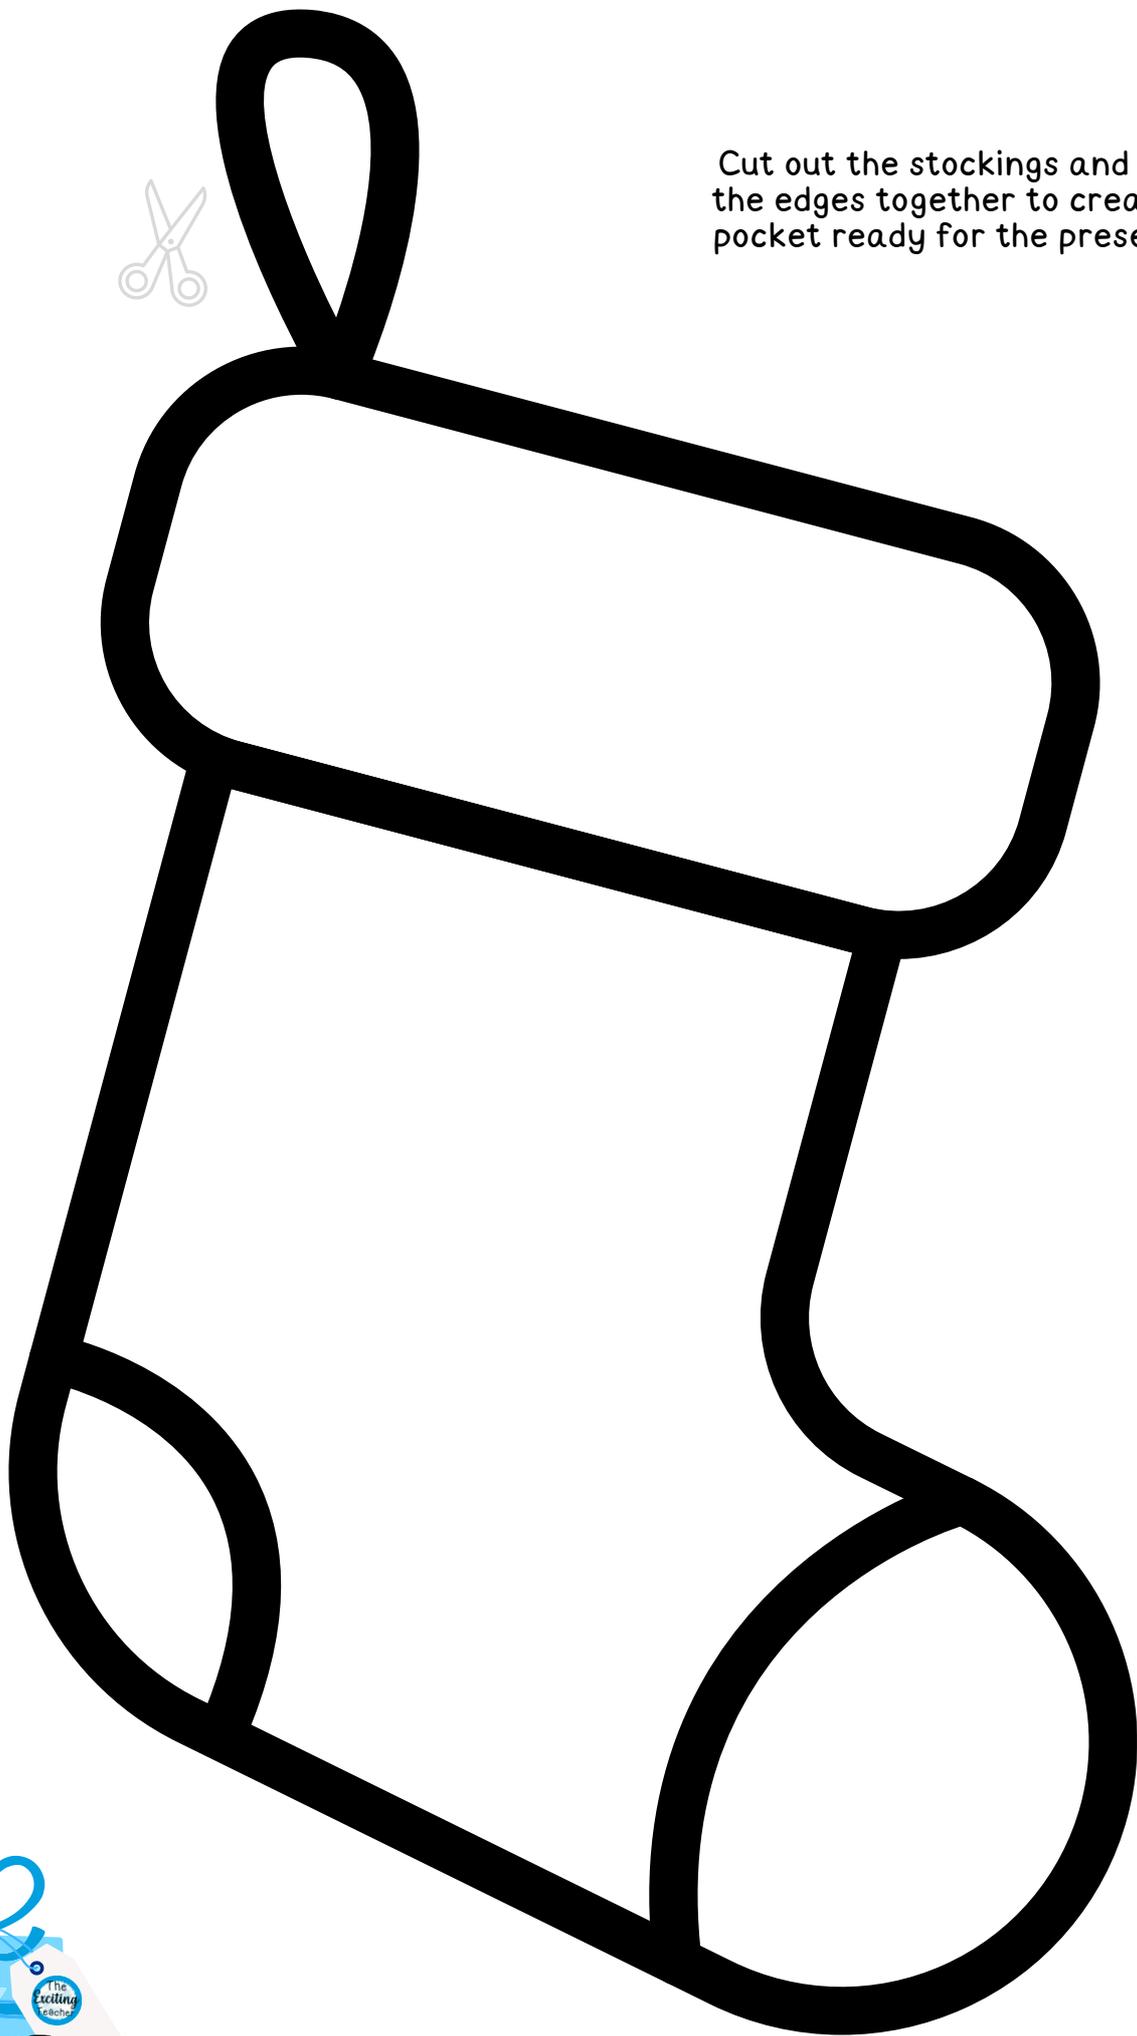

## Instructions:

- 1: Decorate the stockings.
- 2: Cut out the stockings.
- 3: glue the edges together to create a pocket ready for the presents! Remember to leave the top part open with no glue.
- 4: Write down your acts of kindness on the presents.
- 5: Decorate the presents and cut them out.
- 6: Post the presents into the stocking!

You may want to choose a present each day and do the act of kindness written down!

Cut out the stockings and glue the edges together to create a pocket ready for the presents!

Write on the presents different ways you can be kind this Christmas. You could write down how you might be kind to your friends and family, something you can do to be kind to yourself or in your local community!
