

Deer Park Primary School

HISTORY CURRICULUM

Our Ultimate End Goal:

What will our historians be able to do when they leave Deer Park?

- **By the end of their time at Deer Park Primary School our Year 6 historians will have developed a deep and broad knowledge of local, British and world history.**
- **The children will be equipped with the skills that will enable them to ask perceptive questions, think critically, weigh evidence, sift arguments and develop perspective and judgement.**
- **The children will understand the historical concepts of chronology, change, cause and consequence, similarity, difference and the significance of events and their impact on the future.**
- **The children will be able to use historical terms and vocabulary accurately and effectively. They will know how to use a wide range of historical sources to enable them to research their own lines of enquiry.**
- **The children will show curiosity to know more about the past and display a positive attitude to learning.**
- **They will take away with them a respect for diversity, social responsibility and an understanding of how events from the past have shaped their future.**

Curriculum Coverage

What are the most basic requirements from the National Curriculum?

| <p>An idea on how to get across the scale of time the children are going back might be to make it as visual a representation as possible as dates and times are quite abstract concepts for the children to hear/understand and then place accurately on a timeline.</p> <p>Focussing on how these people lived-building materials, lifestyle, tools used, quality of life, living standards etc.- will help with the later unit 'Ancient Egypt' as you can make direct comparisons between the two civilisations.</p> <p>This period will also come up later in Y5/Y6's look at the Mayan's and again in the Y3/4 Ancient Greece Topic, therefore these year groups can also make comparisons to the way of life in Britain at the time to help contextualise their topics.</p> <p>Local links: Fin cop Hill fort- example of Iron age fort. Asia/ N. Africa to help the children grasp their importance. When teaching the topic Ancient Egypt, ensure that children understand that eventually, Egypt became part of the Roman Empire.</p> <p>However, try to focus most of the unit's attention on Roman Britain- the children need to understand the progression the Romans brought with them and the development that took place under their rule.</p> <p>This then allows them to explain the Dark Ages (Early Middle age) as they can refer to the technological advancement of the Romans and showcase just by looking at something such as building materials/ techniques that the Anglo-Saxons used to show they were not as advanced in many ways as the Romans were, hence the 'Dark ages.'</p> <p>Local links: High st in Clay Cross is built over a pre-existing Roman road- presumed to be Rykneild street which was a Roman road linking Chester to Derby. Chesterfield began as a Roman fort.</p> | <p>gulf in development of the two civilisations. It is quite a hard time period due to its geography and it taking place so long ago, thus making this link will help the children to place it in a familiar setting within our timeline and to help them grasp how advanced the Egyptians were by comparing them to how people in Britain were living at the time.</p> <p>You can also link to the Roman Britain unit- talk briefly about the fall of Ptolemaic Egypt to Rome in 30 BCE and it becoming part of the Roman Empire.</p> |
| <p>Ancient Greeks</p> <p>Curriculum links: The main link is the previous Y3/4 unit on Romans- show the fall of Ancient Greece to the Roman Empire. The main focus with this unit is the aspects of Ancient Greek life that still has an impact on the modern world i.e., democracy. We can then talk about this being mirrored in Rome with the initial</p> | | |

| <p>Roman Republic. If you like you can also discuss the Ancient Egyptians being conquered by Alexander the Great and then later his General Ptolemy (hence Ptolemaic Egypt which was then conquered by Rome- this has been pointed out in Y3/4). You can also link back to the way of life in Britain at the time- linking back to Y3/4's Topic Stone age- Iron age.</p> | | |
| Year 5 and Year 6 | | |
| <p>Anglo-Saxons</p> <p>Curriculum Links: This unit follows on from the Y3/4 topic of Stone Age- Iron Age Britain and Roman Britain. Link back to these units as much as you can. The children will have a grasp of Britain up to 400AD- with the Roman retreat to mainland Europe and the migration of Anglo-Saxons to Britain. To answer the Overarching question, focus on the difference between the Roman invasion and the Anglo-Saxon migration - even the words tell us part of the story. The Anglo-Saxons came as settlers whereas the Romans came as conquerors. You can also link to the Romans by exploring how the Anglo-Saxon chiefs would use old Roman buildings/ forts because their stone walls offered better protection. This helps you describe the 'Dark age' (Early Middle Ages), as it was seen as a period where civilisation didn't catch up to the previous achievements of the Romans (The Anglo-Saxon buildings were built out of wood instead of the Roman's brick building).</p> <p>Local links: The name Chesterfield comes from the Anglo- Saxon name for a Roman fort 'caester' (which the Romans had built where Chesterfield is currently) and their</p> | <p>Vikings-1066</p> <p>Curriculum links: Linked directly to Anglo-Saxon Britain. We can again link back to comparisons of invasions (Roman's conquering, Anglo-Saxon's migration, and the Viking's attempted settlement).</p> <p>When explaining who the Normans were at the end of the unit in relation to 1066- explain the Normans were, a now French, but previously Viking civilisation (Normans= 'Northmen'-Vikings raided from Scandinavia and thus invaded from the north).</p> <p>Local links: Vikings took over Derby for a while. | <p>Tudors</p> <p>Curriculum links: Elizabeth the I's rule was covered in the Y1/2 Topic Queens of the past- reminding the children will help them contextualise and place the Tudors chronologically with pre-existing knowledge.</p> <p>Local links: Chatsworth house and Hardwick Hall both examples of Elizabethan great houses- Chatsworth house was used as a prison for Mary Queen of Scots.</p> | <p>Stuarts</p> <p>Curriculum links Elizabeth I death and lack of successors resulted in James I being crowned King. Link back to the previous units in EYFS and Year 1/2 on the Gunpowder plot and Fire of London. This will help place the events of the civil war within a timeline the children have knowledge of- also you can link the Gun Powder plot into the religious aspect of the civil war.</p> <p>Local links: Derbyshire was Royalist during the war Eyam- famous plague town.</p> | <p>Mayans</p> <p>Curriculum links: Link this unit back to the Stone Age- Iron Age and Ancient Egyptian units in Y3/4. You can also talk about the Ancient Greeks as this is during the Archaic period in Ancient Greece.</p> |
